

On March 27, 2007, the Washington Utilities and Transportation Commission adopted rules eliminating price lists and the requirement for Internet posting of those price lists. This became effective on April 27, 2007 and as of June 30, 2007, **tw telecom** no longer maintains any price lists on file with the commission. There will be no changes to the rates, terms or conditions of your service with **tw telecom** as a result of the elimination of our price lists. Our Standard Terms and Conditions are posted on our website under the Customer Center.
