

WIN

with tw telecom

Our channel program gives you a head start. Become one of our Authorized Representatives now, and you can win by leveraging our network, our growth plans, and our nationally recognized customer experience to help you close and keep more business.

tw telecom provides scalable, customizable communications services, specializing in managed services including Business Ethernet, converged and VPN solutions for enterprises throughout the U.S., and globally.

Three Pillars for Your Success

NETWORK STRENGTH

- Reach, reliability, and capability.
- Top three in US Business Ethernet market share.
- Largest competitive fiber network in the country.

FINANCIAL STABILITY

- We are financially strong.
- Our financial success fuels future growth.
- We spend hundreds of millions of dollars annually growing our network...growth that scales with you and your customers as you grow your business.

ENHANCED AGENT EXPERIENCE

- User-friendly agent portal, with pricing and support.
- You're assigned a primary Channel Sales Manager, but you can work with any of our local CSMs.
- We'll help you sell our brand: marketing guidelines, tools and training.

Make it easy on yourself. Win with tw telecom
